3Pillars Project delivers three Academies as part of GAMEPLAN:

1. **Rugby Academy** - an in prison eight-week rugby course engaging young men in custody.
2. **Fitness Academy** - community engagement for apprentices, offering in person mentoring and training.
3. **Leadership Academy** - a progressive employment, education, or training (EET) support programme, through which apprentices can learn and develop business and community leadership skills supported by 1-2-1 mentoring.
